

Connor Scholarship

This scholarship of \$2,000.00 has been kindly donated by two past students of Bayfield Suneil and Kamahl Connor. Both attended Bayfield around 2000 and were both able scholars and keen sportsmen who have gone on to be successful in their business careers as shown in their biographies below.

Biographies

Kamahl is a Director for Comspek, one of New Zealand's largest nationally owned IT Recruitment and Professional Services companies. He also sits on the board as New Zealand's Vice President of Members and Volunteers for the world's leading project management association, the Project Management Institute.

Suneil is the group Chief Financial Officer for Service Foods. He is a Director of KiwiHarvest, Director of New Zealand Food Network, sits on the board of the Auckland Foundation, and the Auckland Branch of the Institute of Directors. Suneil holds the position of Chair of the Audit & Risk Committee for KiwiHarvest, New Zealand Food Network and Auckland Foundation.

Their wish is that the scholarship be awarded annually by a panel of staff to a Year 13 student who demonstrates consistent performance in all areas of school life. These areas include:

- Academic studies
- Sporting achievements
- Leadership
- Culture

To be eligible for this scholarship a student needs to complete the attached application form and return it to the main school office or email it to Mr Beagley (mbeagley@bayfield-high.school.nz) by Friday 30 October.

The panel will consider all applicants and the successful applicant will be notified by the school.

Connor Scholarship – Application Form

Applicants Name: _____

Under each heading below and using the descriptors outline how you meet the criteria

Academic studies

- Consistent attendance;
- Consistent achievement of results;
- Going the extra mile in the classroom. This includes helping other students, providing a better learning and teaching experience, exhibiting behaviour that makes the student stand out above others in class.
